

## **Project Initiation Document Template**

| PROJECT NAME      |            |  |
|-------------------|------------|--|
| PROJECT NUMBER    | RISK LEVEL |  |
| PREPARED BY       | DATE       |  |
| PERSONS CONSULTED |            |  |
|                   |            |  |
|                   |            |  |

| 1. BUSINESS CASE        |  |  |
|-------------------------|--|--|
| WHY THIS PROJECT?       |  |  |
| WHY NOW?                |  |  |
| OPTIONS CONSIDERED      |  |  |
| WHAT IF WE WON'T DO IT? |  |  |
| BENEFITS                |  |  |
| PAYBACK PERIOD          |  |  |

| 2. PROJECT SCOPE   |  |  |
|--|--|--|
| IN SCOPE (included in the project)   |  |  |
| OUT OF SCOPE (excluded from the project)   |  |  |
| DEPENDENCIES  (Describe how the project impacts or will be impacted by other projects or programs)   |  |  |
| CONSTRAINTS  (Describe any constraints within which the project must be delivered, e.g. government deadlines; budget; resource limitations)                            |  |  |
| ASSUMPTIONS  (Describe any assumptions that are being worked from at this point, e.g. for a procurement project, that a suitable product is available for procurement) |  |  |
| WHAT'S THE KEY DRIVER OF<br>YOUR PROJECT, AND WHY DO<br>YOU THINK THAT?  |  |  |

### 3. KEY ACTIONS PROPOSED TO DELIVER THE PROJECT

#### YOU MUST INCLUDE A HIGH-LEVEL OR DETAILED GANTT CHART

# **COMMUNICATIONS PLAN WHAT** HOW WHO **WHEN** COST **QUALITY PLAN** (Describe how it is intended to meet, and shown to meet, the customer's quality expectations) **TASK ACCEPTANCE CRITERIA**

### 4. PROJECT CONTROLS AND REPORTING

(Describe how it is intended to meet, and shown to meet, the customer's quality expectations)

| RESPONSIE<br>FOR PRODU | OW WILL THE CONTROL BE REPORTED? | FREQUENCY/TIMING (Monthly, stage end, etc.) |
|------------------------|----------------------------------|---|
|                        |                                  |   |
|                        |                                  |   |
|                        |                                  |   |
|                        |                                  |   |

## **5. RISK CONTROL LOG**

| (Attach a risk log of for small low-risk projects, insert below in this document) |                      |  |
|---|----------------------|--|
| PROJECT RISK  | CONTAINMENT MEASURES |  |
|   |                      |  |
|   |                      |  |
|   |                      |  |

| 6. FINANCIAL IMPLICATIONS |    |    |            |    |       |
|---------------------------|----|----|------------|----|-------|
|                           | Q1 | Q2 | <b>Q</b> 3 | Q4 | TOTAL |
| AMOUNT YEAR 1             | \$ | \$ | \$         | \$ | \$    |
| AMOUNT YEAR 2             | \$ | \$ | \$         | \$ | \$    |
| AMOUNT YEAR 3             | \$ | \$ | \$         | \$ | \$    |
| AMOUNT YEAR 4             | \$ | \$ | \$         | \$ | \$    |
| AMOUNT YEAR 5             | \$ | \$ | \$         | \$ | \$    |

| I have considered the benefits against the project costs a | nd assessed the project plan and I confrim that this |
|--|--|
| project should be progressed.                              |  |
| Signed:  | Dated:   |
